- Status on range expansion: hit a speed bump with flood plain, city of Rockford is doing a study, allowing city to take burden of the expense of study rather than using club funds for same thing, should be completed by October or November; ideal to add on to north; southern expansion would require separate building
- Reminder: Mentoring Mondays are to teach shooting sports, not a concealed carry class

New Business:

Congrats to John Drall, this month gun drawing winner!!

Motion to adjourn made by Gordon Seaman, seconded by John Drall.
